Vivek Shivratan Gupta, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The goal for the book is to help developers successfully manage projects. It can also help development managers or scrum masters manage projects. Individuals who are new to the project management field can also learn the ropes. I hope to explain how you can have successful projects along with a strong foundation in the project management field. I have seen so many talented individuals who are not always successful up to their potential. One of the reasons is that they do not understand the fundamentals of what makes a project team click. I hope to provide insight on how to better understand your project team and help your project team also better understand the project. The book is written primarily for software development projects. The goal is to give you an insight of various aspects of project management. This book aims to help you better manage your projects, evaluate the state of your project at any given time and determine what course correction to undertake in case you need to get your project back on track.
