An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).

iUniverse, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Set within the backdrop of a mystical battle between good and evil, the lives of two young people unknowingly struggle to complete their soul prints on earth. The local high school has taken on the onerous task of mounting the musical MAN OF LA MANCHA. Infiltrating the lives of the members of the production is a force that threatens to exert a mind boggling influence on the cast. Nuri Lemuel, a girl with a sweet soprano voice, and chosen to play Aldonza, the tragic lead of the play, has always longed to touch the heart of her unavailable father. Nathaniel is a fellow student with whom she is ill-fated for involvement. Unknown to her, he is a lost soul from the world beyond. So much of his life and memory is an unsolved mystery. Their efforts to fulfill the demanding reason for existence take them into a fearful world of the unknown. Soul Prints is a poetic tale of grief, enlightenment and an underlying hope for peace.
