Outskirts Press, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Caterwauler is a fictional diary of a guy working at a sex shop. It is a day-to-day first person account of what goes on at a porn store, in the voice of an angry young man. It is a dark, yet humorous account of retail. The reader follows Wes St. John (an insecure loser trying to reclaim his innocence) through his two month employment at a sex shop in the form of his daily entries. On the graveyard shift, he comes to grips with his problems with love, life, sex, and the public, writing down whatever comes to mind at three in the morning. With a history of failed jobs and relationships, he has become disgusted by sex, wary of management, and unsure about how to interact with the general public. He meets a pretty co-worker named Jodi Rideout. Surrounded by prostitutes, perverts, drug-addicts, drunks, a wide selection of erotica, and a disease-ridden arcade that he cleans every night, Wes labors over what would happen if he and Jodi became involved. Dissecting in these entries everything from sex, squirrels, and the universe, amidst a backdrop of pornography and the local beaches, Wes begins to understand where he has gone wrong. But when the customers become increasingly violent, his drugged-out ex-girlfriend shows up, and his supervisor keeps handing out warnings, he begins to lose his grasp on reality. Jodi and the promise of a romantic love slip further away. The reader follows him through angst-filled emotional breakdowns, and his vague realization that amidst a world of sex and lust, the only thing that can save him is, well, love. As the story begins, Wes is going through training and writing down everything he...
