Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Kota: The Dirty Truth Horrifying truths of this billion dollar industry. I left the comforts of my home with dreams. The coaching institute was expecting me to be among the top ranker in the IIT-JEE. But then something happened. I soon found out myself crying, lying in jail all over my vomit with wounds all over my body and blood spilling out of my face. Everyone around me was trying to control me. But I lay there restless. What had happened? Kota had killed me, separated my soul from my body and murdered me inside out. Read this. Not because I wrote this but because I do not wish the same to happen with any other being going to a coaching institute. It is all bad that happened to me, how traps laid by them entangled me and what i must have done to save myself. You might follow this, you might not. I didn t. I paid the price! Yours might be a good luck and you might not have to pay. But then why depend on luck!! I suffered. I do not want others to suffer. I could have published this book for free. But no one values free stuff. Therefore, if you read this book, I will return a part of what you were charged at Amazon (excluding shipping). All I want you is to read. I also have a free gift for you once you finish reading the book. P.S.: Everything in this is confidential. Most outsiders do not know of this billion dollar industry. Reading this might pull the balls of your eyes out and expose you to the horror world. Read or give it..
