iUniverse, United States, 2015. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The year is 1970: The Supreme Court has legalized abortion, -Equal Pay for Equal Work- is now the law, and Affirmative Action programs attempt to redress past injustices and inequities. Women are coming together nationwide in -consciousness-raising- groups, sharing their knowledge and experiences with each other. A group of six women in Stentoria, California bond through such a group, and support each other as women in this new -Movement- are forming collectives; publishing their own books and periodicals; creating an exciting new genre of -Women s Music-; as well as starting their own bookstores, to make these new materials readily available to the community. Opposition from traditional religions hardens, and women s reproductive rights come under renewed attack; the Equal Rights Amendment fails, even as women themselves debate controversial questions: such as banning pornography, and how to view a rising -Third Wave- of the women s movement. Ominously, the threat of AIDS seemingly brings the era of -sexual freedom- to a close. The six women deal with all these issues, as well as personal challenges-including balancing work and family responsibilities. As the new century begins, they reflect about what the women s movement ultimately accomplished. In a world now characterized by growing economic inequality, increasing low self-esteem for some women (exemplified by cosmetic surgery and -extreme makeovers-), legalized same-sex marriage, and media attention to Transgender issues, this...
