Createspace, United States, 2013. Paperback. Book Condition: New. 212 x 138 mm. Language: English . Brand New Book ***** Print on Demand *****. I opened my business magazine, and that's when I saw the ad. Executive De-stressing. Get away from it all. Guided one-on-one wilderness camping. Our motto is If you're not living on the edge, You're taking up TOO MUCH ROOM! Call Earl - the Camping Guy! So I did, and I signed up on the spot. I'd never been camping before. I was really looking forward to it and Earl - well, Earl, he was quite the guy. Reminiscent of television's and theater's The Odd Couple, The Camping Guy follows the misadventures of Earl, an experienced woodsman, and Johnson, his inept city slicker client, as they spend a camping weekend in the wilds of the Rockies. What was intended to be a de-stressing weekend soon turns into a distressing one, as these two mismatched campers find themselves engaged in unintended and hilarious situations. Male bonding has never been more funny, nor more dangerous! If you like camping, or if you hate camping, you're going to love The Camping Guy !.
