Karl El-Koura, United States, 2011. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.A Baker s Dozen of Short Stories Why doesn t God do something to stop the evil and suffering in the world? Some people who call themselves the Atheists Against God think they know the answer. And they know what they re going to do about it, too. A hired gun-who doesn t use a gun and won t be hired by just anyone-realizes that his profession is killing him, but finds it hard to quit. Until he discovers that his talent has more uses than he ever dreamed possible. A young boy learns that his best friend is an alien. But does that mean they have to stop being friends? Meet interesting, complex characters; explore worlds both strange and all-too-familiar; and discover the answer to thought-provoking mysteries in this collection of 13 short stories by Karl El-Koura. Twelve of these short tales were previously published in magazines between 1998 and 2010, while the bonus story is exclusive to this collection. Organized in three sections-Fear, Faith, and Love-this anthology also contains an introduction by the author, as well as forewords to accompany each story (an afterword in the case of the bonus story). Spanning a wide range of genres (including science fiction, fantasy, horror, detective fiction, military fiction, and superhero fiction) and a wide range of lengths (from the shortest story at 250 words to the longest at 7500 words), Ooter s Place and Other Stories of Fear, Faith, and Love is an eclectic collection. Join the author as he introduces you to stories both light and dark, fun and serious, always entertaining. Praise for stories included in this collection: AT WAR- A Bradbury-esque piece.
