It is the ability of the mind to build mental scenes, objects or events that do not exist, are not present, or have happened in the past. Everyone possesses an imagination ability. The imagination manifests in various degrees in various people. In some, it is highly developed, and in others, it manifests in a weaker form. God uses our imagination to manifest His will on earth and Satan use our imagination against us to limit or rob us of God s plan for our lives. with Imagination makes it possible to experience a whole world inside the mind. It gives the ability to look at any situation from a different point of view, God s the higher or Satan s the lower.
