THE GENDERED SOCIETY READER (PAPERBACK)

Oxford University Press Inc, United States, 2016. Paperback. Condition: New. 6th ed.. Language: English . Brand New Book. In The Gendered Society Reader, Sixth Edition, coeditors Michael Kimmel and Amy Aronson pull together an array of dynamic voices--both male and female, classic and contemporary--to examine various interpretations of gender. These lively, in-depth readings explore gender discourse over a wide range of disciplines, focusing primarily on two central issues: difference and domination. Carefully balanced to reflect the diversity of its subject, this text addresses provocative and fundamental questions including: * How are males and females different? * What do these differences mean? * How to various cultures and religions interpret gender? * Why do societies continue to differentiate people on the basis of gender? * Why is it that almost every known society is based on male domination? Thoroughly updated with rich and timely material, the sixth edition is the perfect complement to Michael Kimmel s textbook, The Gendered Society, Sixth Edition (OUP, 2016).
