IVP Academic. Paperback. Condition: New. 187 pages. Dimensions: 8.1in. x 5.4in. x 0.7in. Pauls letter to the Philipians may aptly be seen as a meditation on joy. But Pauls joy, rather than the result of ease and comfort, is a contentedness made pure through suffering. He has learned the secret of being content in any and every situation, whether well fed or hungry, whether living in plenty or in want. Ralph Martin shows how these themes flow from and emulate Christs humility, lead to spiritual fellowship among believers, and contribute to spreading the gospel. The original, unrevised text of this volume has been completely retypeset and printed in a larger, more attractive format with the new cover design for the series. The Tyndale New Testament Commentaries have long been a trusted resource for Bible study. Written by some of the worlds most distinguished evangelical scholars, these twenty volumes offer clear, reliable, and relevant explanations of every book in the New Testament. These Tyndale volumes are designed to help readers understand what the Bible actually says and what it means. The introduction to each volume gives a concise but thorough description of the authorship, date, and historical background of the biblical book under consideration. The commentary itself examines the text section by section, drawing out its main themes. It also comments on individual verses and deals with problems of interpretation. The aim throughout is to get at the true meaning of the Bible and to make its message plain to readers today. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
