

Winston s Cumulative Loose-Leaf Encyclopedia, Vol. 1 of 10: A Comprehensive Reference Book (Classic Reprint) (Paperback)

By Charles Morris

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Winston s Cumulative Loose-Leaf Encyclopedia, Vol. 1 of 10: A Comprehensive Reference Book We have spoken of some of the distinctive features of this work. Now let us speak of the most distinctive, that which removes it from the ordinary category of such works and puts it in a class by itself. We refer to its cumulative bonded method of adding new matter, a characteristic of such value and importance that we feel called upon to speak of it at some length in the preface. It is a notorious fact that encyclopedias, like men, have the unfortunate habit of growing Old, but are not like men in keeping up with the world s movements. They are not a year on the market before they become incomplete. Something of wide interest and importance has happened that finds no place in their pages. This is a weakness to which all the ordinary encyclopedias are subject. People lie, but are still recorded in their pages as living; city and town populations change as new censuses are made, but the old figures stare out..
