Oberon Books Ltd, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. Monster: He s got zero empathy. You could be having a conversation and start choking to death and he d just think, Well, this conversation s over. He d probably just sit there and finish eating whatever you were choking on. And what will be the first to destruct - the planet or the relationship? 2071: Climate change is a matter of importance to everyone, but what to do about it is mired in controversy. What s needed is a conversation. What do we owe future generations? How can we protect our children and grandchildren? Every Brilliant Thing: You re six years old....
