iUniverse, United States, 2009. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. More of a narcotics patrol bible, this book provides insight and know how only a very experienced dope cop could illustrate. Daren Ellison gives real world examples and situations that can help any patrolman. I found this book logically organized and enjoyable to read. It will likely become your new field patrol manual you can quickly refer to when you are hitting the streets hunting for dope. -Sean Mountjoy Deputy Sheriff Kern County Sheriff s Office For any patrolman who wants to improve his skills when dealing with drug addicts and criminals in general, Street Level Narcotics is a must read and should find its place in every law library and patrol squadroom across the country. With twelve years of law enforcement experience and ten years working patrol and street level dope, Daren Ellison brings a unique and unorthodox perspective when dealing with the common problems of drug related crime.
