The Dead Yard: Tales of Modern Jamaica

By Ian Thomson

Faber & Faber. Paperback. Book Condition: new. BRAND NEW, The Dead Yard: Tales of Modern Jamaica, Ian Thomson, Jamaica used to be the source of much of Britain's wealth, a tropical paradise for the planters, a Babylonian exile for the Africans shipped to the Caribbean. It became independent in 1962. Jamaica is now a country in despair. It has become a cockpit of gang warfare, drug crime and poverty. Haunted by the legacy of imperialism, its social and racial divisions seem entrenched. Its extraordinary musical tradition and physical beauty are shadowed by casual murder, police brutality and political corruption. Ian Thomson shows a side of Jamaica that tourists rarely see. He met ordinary Jamaicans in their homes and workplaces; and his encounters with the white elite, who still own most of Jamaica's businesses and newspapers, are unforgettable. Thomson brings alive the country's unique racial and ethnic mix; the all-pervading influence of the USA; and, the increasing disillusionment felt by its people, who can't rely on the state for their most basic security. At the heart of the book is Jamaica's tense, uneasy relationship with Britain, to whom it remains politically and culturally bound.

Reviews

This created book is wonderful. It is amongst the most amazing book i have got go through. I am just effortlessly will get a enjoyment of looking at a created publication.

-- Prof. Jasper Murazik PhD

Very useful to all category of individuals. It is one of the most amazing publication i have got read through. You will not feel monotony at anytime of your respective time (that's what catalogs are for about when you question me).

-- Mr. Johnathon Dach
