Taylor Francis Ltd, United Kingdom, 2014. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book. In the day-to-day work of higher education administration, student affairs professionals know that different institutional types-whether a small liberal arts college, a doctoral intensive institution, or a large private university-require different practical approaches. Despite this, most student affairs literature emphasizes a one size fits all approach to practice, giving little attention to the differing models of student affairs practice and their diversity across institutions. In the second edition of this influential book, leading scholars Kathleen Manning, Jillian Kinzie, and John H. Schuh advocate an original approach by presenting 11 models of student affairs practice, including both traditional and innovative programs. Based on a qualitative, multi-institutional research project, One Size Does Not Fit All explores a variety of policies, practices, and programs that contribute to increased student engagement, success, and learning. New to this Revised Edition: * Refinement of models in light of recent NSSE data and current developments in higher education, including budget cuts and the economic crisis, * Updated information throughout about model assessment and techniques to renew divisions of student affairs, * A deeper analysis of how models of student affairs practice relate to institutional mission and purposes, * End-of-chapter discussion questions to guide thinking about ways to incorporate models in one's own context, * An entirely new Part IV, including chapters on Catalysts and Tools for Change and Redesigning Your Student Affairs Division.
