

Super-Duper Monster Viewer (Hardback)

By -

GROUNDWOOD BOOKS, United States, 2016. Hardback. Condition: New. Kevin Sylvester (illustrator). Language: English . Brand New Book. Imagine that you are holding a device that will allow you to see the monsters that live invisibly all around us. All you have to do is follow the simple instructions and total chaos! Technology isn't always easy, and this monster viewer disguised as a book is no exception. If you hold the viewer too high, all you see are the tops of the monsters heads. Too low, and all you see are their feet. And things don't get any better when the monsters themselves try to help out. Full of puns and visual jokes, Super Duper Monster Viewer pokes gentle fun at our obsession with technology and the next cool thing. And while the two monsters we meet in this book might be terrible at tech support, they make pretty fun companions just the same. Written and illustrated by the irrepressibly funny and highly acclaimed children's author Kevin Sylvester, Super Duper Monster Viewer is sure to bring laughter and maybe a little mayhem into your day.
