Ordinarily apothecaries weights and graduated glasses are good enough for clinical purposes. It is claimed that the above solution is an improvement upon those hitherto used, in that: 1st. It is simple and easily prepared: 2nd. It will keep for any length of time: 3rd. It can be conveniently used, and the end of the reaction can be marked with ease and certainty: and 4th. It gives accurate results. I have tested it repeatedly with a standard solution of glucose made by dissolving pure crystalized cane sugar, inverting by boiling with hydrochloric acid, neutralizing and diluting so that 5 c. c., contained one grain of glucose. With this solution...
