After being dumped for glamorous women by past boyfriends, Amanda Payne is convinced she just doesn't have it. So when she stumbles upon a hunky Connor Reid at a party she is forced to crash, she is more surprised than anyone when he ends up in her hotel room that night. But that fantastic experience turns into a hurtful situation the very next day. After years of travelling for his job, Connor Reid is staying put in one place to start his own business, and hopefully find a special someone. When women he's never met before crash his work farewell party, a quiet Amanda stands out for him. But Amanda's actions the day after indicates she might not be different from her player friends. When their paths cross again, not only are they surprised to discover that they have mutual friends, but that they also live in the same beachside suburb. Equally shocking is the fact that their attraction for each other is still unbelievably strong. But do they have a future together when Amanda thinks Connor is just playing a game? And could Connor convince Amanda that he is not the kind of man she thinks he is? ***** Again is a steamy and sexy novel that can be read as a stand-alone. However, to enhance your enjoyment of the Time for Love series, the author recommends reading them in order.
