Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Comparison, Criticism and Estimate of the English Novelists From 1700 to 1850: The Chancellor s Essay 1894 IN few departments of literature has England aught to fear from comparison with other nations. In pure poetry the names of Chaucer and Spenser, Milton, Wordsworth, Shelley and Keats, Tennyson and Browning represent a dower of fame of which any people might well be proud. In dramatic literature there has been found no peer to our great fancy s child, and his glorious creations live on for the refreshing of the tired world. Perdita and Rosalind, Viola and Her mione, Portia and Miranda, - what a breath of sweet thoughts each name brings with it, how marvellously do they dominate our conceptions, real as memories of real women. And if the shadows are there - and the men are mostly in shadow, - how wondrously are they wrought to teach the glory of the light. Shakespeare stands alone: yet we have no ignoble band behind him: Marlowe and Jonson, Goldsmith and Sheridan, rank high among the world s dramatic authors, and we have at any rate one living writer who, by more modern but no less artistic methods, attains results in some ways com parable. In the domain of history we can shew besides Macaulay some illustrious names. And if in philosophic literature we are less pre-eminent, yet the country that pro duced Bacon and Berkeley, as well as Hobbes and Bentham, Hume and Mill, need not herein either be ashamed.
