A Dark Anatomy

By Blake, Robin.

Pan. 1 Paperback(s), 2011. soft. Book Condition: New. The year is 1740, and George II holds the English throne, though the country's more remote provinces largely remain a law unto themselves. In Lancashire, Dolores Brockletower, a squire's wife, has been found in the woods near Garlick Hall, her throat brutally slashed. Investigating the death, coroner Titus Cragg finds the Brockletower household awash with rumor and suspicion, and enlists the help of young doctor Luke Fidelis to throw light on the case. But forensic science is all but unknown in this world, and the two are faced with the superstition of witnesses, obstruction by local officials, and denunciations from the squire himself. "This is rollicking stuff. Cragge and Fidelis are an engaging duo, and their first investigation is like crossing Robert Louis Stevenson with *The Archers*." *Financial Times* (London) 372.
