Reviews

An incredibly wonderful ebook with perfect and lucid explanations. I really could comprehend every little thing using this written e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Forgotten Books, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Bibliographical Miscellany, or Supplement to the Bibliographical Dictionary, Vol. 2 Numerous conjectures have been formed to account for this faculty in man the. Following, with all its apparent absurdity, is the most ingenious and best entitled to attention. Br adam Simian and Vz truvz us, and after them some modern writers of considerable eminence, have asserted, am user. At first lived like beasts in woods and caves, forming only strange and uncouth noises, until their fears caused them to associate together; and that upon growing acquainted with each other, they came to correspond about things, first by signs, then to make games for them, and in time, to frame and perfect a lan, I gauge; and that the languages of the world are (fitment, because different companies of men hep poring thus to come together in different places, Would, of come, form different sounds or names for things; heeee would arise the variety observe able even in maths: languages. This ingenious conjecture is, I believe, the utmost that tbe human mind, unassisted by a divine revelation, can form relative to this subject. I The Mosaic history, which gives us an account of the formation and first occupations of man, re garments him, as being immediately capable of con. Versing widi his Maker -of giving namesto the ous tribes and classes of animals -and of reasoning consecutively, and in perfectly appmpriate terms, concerning his own situation, and the relation he stood in to other natures. As in man s first at tempt at speech, according to this account, there appear no crudeness of ooneption - noibarrenaessomom or nouaor, fire.
