

What There Is Before There Is Anything There: A Scary Story (Hardback)

By Liniers

GROUNDWOOD BOOKS, United States, 2014. Hardback. Condition: New. Translation. Language: English . Brand New Book. Every night when his parents turn off the light, strange creatures descend from the black space where the ceiling used to be . . . First comes one, then another, and then more and more. They stand all around him, staring, not saying a word. And then, worst of all, comes the dark, shapeless one that tells him, I am what s there before there is anything there . . . Liniers art, reminiscent of Herge and other great comic book artists, feelingly portrays the little boy s growing terror and his frantic dash for his parents bedroom. Combined with hand-lettering, it creates the feeling of a graphic novel for very young readers. Destined to become a classic about nighttime fears (like Paul Galdone s The Teeny-Tiny Woman), this story resonates with young children afraid of the dark. They re reassured to see that, although the little boy s fears don t go away, he does find a way to cope with them.
