30 Degrees South Publishers. Hardback. Book Condition: new. BRAND NEW, The Kevin Woods Story: In the Shadow of Mugabe's Gallows, Kevin Woods, Kevin Woods was sentenced to death in Zimbabwe and jailed for twenty years by Robert Mugabe. For over five years of his detention he was held in the shadow of Mugabe's gallows, cut off from the world, naked and in solitary confinement. He had been a senior member of Mugabe's dreaded Central Intelligence Organization, the CIO, and was jailed for committing politically motivated offences, on behalf of the white South African government, against the ANC in Zimbabwe. From Mugabe's confidant to condemned prisoner he recounts his life on the edge, as a double agent. He explains the desolation of being abandoned by South Africa when he was compromised and he details his lone fight to maintain his humanity, self-dignity and sanity in a prison system that belongs to the Middle Ages. Removed from society and with his fundamental human rights arbitrarily withdrawn, Woods has been there, done that, and has got the T-shirt when it comes to stress, utter hopelessness and coping while under the most desperate conditions imaginable. This book will inspire you to take an introspective look at your own life, your careers, your aspirations and ambitions. His story, unlike so many others has a happy ending with him hugging his now-adult children and meeting former President Nelson Mandela being the highlights.
