Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Homoeopathic Recorder, 1896, Vol. 11 Typhoid fever, unlike malarial, and many other fevers, is a preventable disease. Where there is perfect sanitation there can be no typhoid fever. It may be difficult to ensure this, but it is not quite impossible. At present persons in every grade of society are continually contracting the disease - none are exempt. What is most of all to be regretted is the ignorant treatment to which most of them are subjected. Light, in medicine, as well as in morals, has come into the world, but it would seem as if the people preferred darkness.
