Pan MacMillan, United Kingdom, 2017. Hardback. Condition: New. Main Market Ed. Language: English . Brand New Book. `Spiotta is a wonder. - George Saunders, author of Lincoln in the BardoMeadow Mori and Carrie Wexler grew up together in Los Angeles, and both became film-makers. Meadow makes challenging documentaries; Carrie makes successful feature films with a feminist slant. The two friends have everything in common - except their views on sex, power, movie-making and morality. And yet their loyalty trumps their different approaches to film and to life. Until, one day, a mysterious woman with a unique ability to cold-call and seduce powerful men over the phone - not through sex, but through listening - becomes the subject of one of Meadow s documentaries. Her downfall, and what makes her so extraordinarily moving, is that she pretends to be someone she is not. The fallout from this challenges their friendship like nothing before.Heart-breaking and insightful, Innocents and Others by Dana Spiotta is an astonishing novel about friendship, identity, loneliness and art.
