HOW TO EXPLAIN YOUR FAITH (RE-ISSUE)

SPCK Publishing. Paperback. Book Condition: new. BRAND NEW, How to Explain Your Faith (Re-issue), John Pritchard, Though the style is light, the book actually covers a lot of ground in an accessible way. The author is an excellent communicator. Addresses the fact that apologetics today needs to operate on the basis of dialogue and conversation rather than proclamation and persuasion. Reassuringly equips Christians for those tricky discussions while helping them think through why they believe what they do. Is Christianity for those who can't get a life? What use is a dying God? Why is the Church so naff? If you've faced questions like these and felt tongue-tied, this is the book for you. It will help you talk more confidently with your friends about the hope that keeps you going. And during those times when you find that you are questioning your faith, the answers and ideas here may help you come to a deeper understanding of what you really believe. The user-friendly format of each chapter begins with a 'What they say' section. The author then identifies the key issue, before suggesting (in reassuring detail) how you might respond. All through the book you will find stories, as well as inspiring, poignant and witty quotes to work into your conversations whenever the opportunity may arise!
