# Dogs: Best in Show:Trump Cards

By Polly Horner

Laurence King Publishing, United Kingdom, 2011. Cards. Condition: New. Language: English . Brand New Book. No product created as much internal debate. What dogs should we include? Everyone in the office expressed a different view. One person loved Pugs, then the person on the desk opposite expressed a passionate distaste for them. This one thought Irish Setters were the best dogs in the word, while another argued that you couldn t beat Labradors. But were they too expensive to feed? And how about the amount of grooming required? Dalmatians? Whippets? And how about that old favourite, the English Bulldog? In order to settle all these questions once and for all, this informative game aimed at dog lovers of all ages, pitches dog breeds against one another in a number of categories, from keenness of nose to top speed, diet and grooming. Presented in a simple yet stylish box, this set of forty playing cards (instructions not included) will become the ideal gift for anyone who loves dogs (and great drawings of dogs). We all love our dogs and dogs have seldom been so lovingly captured as in Polly Horner s watercolour illustrations.
