## MATHEMATICS IS STORY

Condition: New. Publisher/Verlag: VDM Verlag Dr. Müller | Learning Relationally with Elementary Teachers | Mathematics is often viewed as a set of invariant prepositions, theorems, and axioms. However, from a historical perspective, these mathematical objects and results have evolved and are contingent on cultural developments within society. Studies of teacher learning suggest that teachers tend to make sense of new ideas through existing views of the nature of mathematics: in this way, images of the nature of mathematics impact pedagogy. In this book I investigate the experiences of...
