Reviews

The book is great and fantastic. It usually does not price excessive. I am happy to tell you that this is the greatest ebook i actually have read during my personal existence and can be he very best ebook for possibly.
(Abbie Feast)

DEADLY CODE

Hodder & Stoughton General Division. Paperback. Book Condition: new. BRAND NEW, Deadly Code, Lin Anderson, " The left foot had been severed from the leg ten centimetres below the patella. Both fibula and tibia bones were divided at the same place. All the toes were intact, although the nails had disintegrated or been eaten off during the foot's time in the water." Dr Rhona Macleod travels north to investigate a grisly discovery - a severed foot, caught in a fishing net off the Isle of Skye. Where is the rest of the body, and who is the dead man? What links him to a sinister secret society in America? And why is the Ministry of Defence so keen to shut down the case? Rhona's investigations embroil her in an international conspiracy from which she will be lucky to escape unharmed.
