

## blogdown: Creating Websites with R Markdown (Paperback)

By Yihui Xie

Taylor Francis Inc, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. **blogdown: Creating Websites with R Markdown** provides a practical guide for creating websites using the **blogdown** package in R. In this book, we show you how to use dynamic R Markdown documents to build static websites featuring R code (or other programming languages) with automatically rendered output such as graphics, tables, analysis results, and HTML widgets. The **blogdown** package is also suitable for technical writing with elements such as citations, footnotes, and LaTeX math. This makes **blogdown** an ideal platform for any website designed to communicate information about data science, data analysis, data visualization, or R programming. Note that **blogdown** is not just for blogging or sites about R; it can also be used to create general-purpose websites. By default, **blogdown** uses Hugo, a popular open-source static website generator, which provides a fast and flexible way to build your site content to be shared online. Other website generators like Jekyll and Hexo are also supported. In this book, you will learn how to: Build a website using the **blogdown** package; Create blog posts and other website content as dynamic documents that can be easily edited...
