Biblical Principles of Prayer challenges you to experience new levels of prayer that will affect every area of your life. Living a life conducive to receiving--means laying aside personal desires and egotistical values that are in direct contrast with His will. The church that prays--There are about 25,000 denominations--every one of them believing that they have the right answer and the most accurate hermeneutics. Prayer and the Bible --the pioneers of modern science--modern science is thousands of years behind when it comes to the issue of health. The issue of prayer in school--Christians are quick to jump on the prayer in school bandwagon, but do you really want it back as it was? Biblical Principles of Prayer will compel you to revisit the way you pray. It will show you how to have dunamis (dynamite) power in your prayers. Have you ever wanted to be a pray-er who really sees results? Dr. Church, who in 1998 was healed from a very rare type of cancer, understands what it means to appreciate authoritative prayer. Buzz words and powerless mechanical discourses are of little value when you are facing death.
