Reviews

This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Dylan Schaden)

DEADLY COOL: 1

HarperCollins Publishers Inc. Paperback. Book Condition: new. BRAND NEW, Deadly Cool: 1, Gemma Halliday, First I find out that my boyfriend is cheating on me. Then he's pegged as the #1 suspect in a murder. And now he's depending on me to clear his name. Seriously? As much as I wouldn't mind watching him squirm, I know that he's innocent. So I'm brushing off my previously untapped detective skills and getting down to business. But I keep tripping over dead bodies and I'm still no closer to figuring out who did it. And what's worse: all signs seem to point to me as the killer's next victim. I really need to pick a better boyfriend next time.
