Check with the seller prior to purchase. ----- The 2nd edition of *Contrastes: grammaire du francais courant* remains what it originally set out to be: a comprehensive French grammar review geared specifically to English-speakers with some exposure to the French language. Written in French (with occasional footnotes and explanations in English), it is meant for those who have already acquired a foundation in French, but who need a tool to help them review and expand upon what they already know to improve their mastery of complex grammar rules and formations. Features: Written in French, with idiomatic North-American translations of all examples. *Nota Bene* helps students focus on correcting the most...
