During this window of relative safety, King Zachary decides to send Karigan and a small contingent of scouts, accompanied by a small group of Eletiansa magical race who once lived in the lands now tainted by Mornhavon's magic into Blackveil Forest. Though Mornhavon is gone, the forest is still a treacherous place filled with monstrous creatures and deadly traps. And unbeknownst to the band of Eletians and Sacordians, another small group has entered the forest Arcosian descendants who have kept Mornhavon's dark magic alive in secret for centuries, and who now plan to avenge their long ago defeat by bringing Sacordia to its knees.
