QUICK TRAINING FOR WAR (HARDBACK)

[DOWNLOAD](#)

Bloomsbury Publishing PLC, United Kingdom, 2011. Hardback. Condition: New. Language: English . Brand New Book. In this fascinating little book, Baden-Powell uses his extensive military experience and memories of service in Africa to distill soldiering down to the four C-s : Courage, Common sense, Cunning and Cheerfulness. With observations gleaned from his campaigns against the Zulus, the Ashanti and the Boers during the period 1876-1910 (and even from conversations with the German Kaiser), B-P discusses all aspects of military service from digging trenches and earth-works to inculcating cheerfulness in your men . This period document gives a unique insight into the mindset of the British officer in 1914; advocating a training system that encapsulated Edwardian values,conventional military thinking and centuries of army tradition. Quick Training For War is a perfect example of the type of war the British expected to fight and which they prepared for in 1914, and it became a standard survival guide for many British troops. Personable in tone, this is the well-intentioned, no-nonsense advice of a seasoned campaigner - albeit an officer more accustomed to scouting on the South African veldt than struggling through Somme mud.
