

Signal Close Action

By Alexander Kent

Cornerstone. Paperback. Book Condition: new. BRAND NEW, Signal Close Action, Alexander Kent, When in 1798 Richard Bolitho hoists his broad pendant as commodore of a small squadron and prepares to re-enter the Mediterranean he is soon made aware of his responsibility. There are rumours of a massive French armada and of the latest type of artillery - and Bolitho's orders are to seek out the enemy and to discover the intentions of his growing force. Without any British bases in the Mediterranean, and unable to show favour to old friends, Bolitho is well aware that there are others within his ships who are no less dangerous than the enemy - and during the weeks and months in which the squadron faces the hazards of the weather and French broadsides alike, Bolitho knows that far more than his own future is at stake. A fleet, even a nation, could depend on his decisions and, when he places his squadron between the Nile and the power of France, he must accept the price of the challenge.

Reviews

I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

The most effective publication I ever study. I am quite late in start reading this one, but better than never. You won't sense monotony at whenever you want of your time (that's what catalogs are for concerning in the event you ask me).
