Bernard Whitman, on the Term Gehenna, Rendered Hell in the Common Version You say Now the learned commentators of all de nominations contend, that the name of this loathsome, and fiery, and wormy valley, was afterwards used as an emblem of the future punishment of the wicked. The commentators contend, that Jesus Christ is the Supreme God. But you deny this. And if their contending for a doctrine is good evi dence of its truth, Unitarianism is a mass of falsehood. Why then use an argument, which destroys your own system It is what commentators prove, not what they contend for, any of us ought to care about.
