Reviews

It is fantastic and great. It is written in easy words and phrases instead of confusing. I am just delighted to explain how this is actually the best book I have ever read through during my individual life and might be the finest publication for ever.

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.They Went in Harm s Way The author s favorite story is in a section called, Son repeats Father s Sacrifice. That was the headline on the front page of most major newspapers. However, this is the only background account ever written on Navy Commander Leo Hester and Army Warrant Officer Leo Hester. Both pilots, who died two years apart in Vietnam. Three of the other stories also made national headlines at the time. One was a POW initially classified as killed in action, only to become one of the more famous among those held captive in VN. There is a story on an Army helicopter pilot in VN, who performed as well later on with US Customs. See how he brought down a drug-laden aircraft by bumping it with his Blackhawk helicopter. A Marine General who flew the F-14 and the F-18 and was the first to take out a radar site in Bosnia while supporting UN ground troops. He was later involved in the F-35 program. These and other accounts are more than just entertaining, they will educate you as well. Reading these stories will bring laughter and tears as well as the knowledge that these men are representative of all who served. They have become your friends and your neighbors and the insight you get inside these pages can spur many discussions with veterans. There is a false belief that most vets prefer not to discuss their time in the military. When given the opportunity to speak with someone who will listen, vets will open up and you will not want to stop them from telling you stories. Now, all stories from vets are about guts and...
