

Procedures, Techniques, Rules.I Wish I Learned in School

Filesize: 3.53 MB

Reviews

This ebook will be worth acquiring. It is actually written in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Trystan Yundt)

Alexander Graham Properties LLC, United States, 2015. Paperback. Book Condition: New. Mark Collier (illustrator). 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Andrae captures insight and pearls of wisdom from the military's most senior leaders, calling them Procedures, Techniques, and Rules. These strategies, if applied with discipline, can provide efficiency to your day-to-day routine and increase your overall well-being. Procedures, Techniques, Rules. I Wish I Learned in School is a resource tool that offers bottom-line instructions on a range of habits that have proved beneficial to our nation's leading authorities. Andrae has taken his experiences from sitting down to talk with leaders, such as former Secretary of Defense, Donald Rumsfeld; Chairman of the Joint Chiefs of Staff, General Martin Dempsey; and Korean War hero, General Paik Sung-yup, and consolidated the lessons learned about life. Useful techniques are broken down into the simplest forms that relate to finances, health, parenting, and mind-set—all of which, if they had been reinforced and learned in our youth would have paid back seven times over. It's never too late to become better. Enjoy.
