

Electrigril

By Jo Cotterill, Cathy Brett

Oxford University Press. Paperback. Condition: new. BRAND NEW, Electrigril, Jo Cotterill, Cathy Brett, Holly Sparkes is just your average 12-year-old, that is, until she's hit by a bolt of lightning. Now Holly is EXTRAordinary. Like a human battery Holly can generate a massive amount of electricity in seconds, which could come in handy if she's ever going to solve the mystery of her best friend's disappearance. Because when you're dealing with the likes of Professor McAvity and her mysterious CyberSky corporation, you need all the help you can get! This exciting story includes black and white graphic novel style illustrations.

Reviews

Complete manual! Its such a great study. It really is writter in straightforward phrases rather than hard to understand. You are going to like the way the article writer create this publication.

-- **Ike Fadel**

A brand new electronic book with a new standpoint. It is writter in basic phrases rather than confusing. Its been designed in an extremely basic way which is merely right after i finished reading through this publication where basically altered me, change the way i believe.

-- **Kitty Crooks**
