Your Own World Books, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Indigos are awaking in great numbers to the gentle call of a living universe. Some are cherished and nurtured, but most are forced to struggle with the emotional pain of misunderstanding. Yet, each will feel the same need to explore their own Indigo-ness and their own destiny of evolution and contact. Indigos are here to help humanity achieve its oldest dream - universal harmony. They will do it by living in service-to-others in the hope of seeing humanity overcome its service-to-self failings. When that happens, our civilizations will no longer grow quickly, erode slowly and then die suddenly. Rather, they will last and they will know love. As we evolve, off-world races will freely contract us, and Indigos will become our honest liaisons, for they will instinctively know friend from foe. All are born to this role, but not all are destined to fulfill it. This book is dedicated to those who do, and it offers helpful suggestions for future encounters. Are You an Indigo? The term Indigo describes the hue of the aura (life energy color) that surrounds an Indigo, according to psychic Nancy Ann Tappe, but this is not the only measure. An Indigo will also possess a high IQ, an indomitable sense-of-self and a strong psychic intuition. Born to a natural knowing of things, they quickly sense goodness, compassion, evil intent and crisis in others. How do true Indigos define themselves? Through their feelings. Do these questions sound familiar? Am I a recent genetic freak of nature, as the experts suggest? Why am I so out-of-sync with this materialistic, consumption-driven society about me? Why, when all I crave is oneness with the universe, do others subjugate me...
