Prentice Hall, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! What distinguishes Golosa's presentation of the verbs of motion is the principle of presenting on the basis of actual usage, rather than linguistic convention that would give equal weight to every form. The increased number of reading comprehension texts and tasks, especially the genre of the extended e-mail exchange, is an important advantage of the fourth edition over previous editions of Golosa . The texts in the textbook are typical of those that our students will need to and want to read and write. ~ Benjamin Rifkin, Temple University Golosa covers all the topics necessary for understanding basic Russian, and gives more than ample practice. I like the readings and authentic texts you have chosen. I have always enjoyed working with...
