Reviews

This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who stutte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).

Simon & Schuster. Paperback. Book Condition: new. BRAND NEW, Amaryllis, Jayne Castle, New York Times bestselling author JAYNE CASTLE Acclaimed for her novels of "delectably entertaining paranormal romantic suspense" ("Booklist"), the wildly popular alter ego of bestselling author Jayne Ann Krentz takes off on a star-dusted excursion to a rich civilization where danger and passion are just a heartbeat away. . . . Amaryllis Lark is one of the best psychic detectives on St. Helen's, the earth colony recently cut off from the mother planet, yet not so very different from home. . . . Lucas Trent, the rugged head of Lodestar Exploration, isn't keen on the prim type--and from her crisp business suit to her cool evaluation of his request to bust a corporate thief, beautiful Amaryllis is "excruciatingly "proper. But when a bold hunch heats up into a twisting murder investigation, by-the-book Amaryllis must let her guard down and break some rules--and a red-hot love affair ignites. Now, as they race to solve a puzzle of deadly intrigue, no power--otherworldly or otherwise--can keep them apart!.
