White Pine Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. We anticipate this volume will have legs well beyond our traditional poetry and literature in translation markets. If the documentary movie that accompanies the book gets decent distribution it will raise the profile of the issue of Chinese migrant factory labor in ways not previously seen here in the US. The outside PR firm the film company will work with will also market the book giving us a much larger marketing profile than we are normally able to do.
