An incredibly awesome publication with perfect and lucid reasons. It can be written in simple phrases and not confusing. I am just delighted to let you know that this is actually the very best publication I actually have studied during my very own lifestyle and could be the best publication for actually.

I'M WITH THE BAND

Hachette Children's Group. Paperback. Book Condition: new. BRAND NEW, I'm with the Band, Laurie Depp, Dylan, Andy and Elliana (Ellie to her mates) have been passionate about their band, BlackStar, for as long as Ellie can remember. She loves the buzz of performing, and the magical adulation from the crowd, and she counts the boys as her best mates, even if they do fight like cat and dog all the time. But Ellie's feelings for Dylan have turned from platonic to something else, just lately, and that's tricky, because Ellie is going out with Andy .It's getting more and more difficult to cope with her feelings, and with Dylan's moody, self-destructive impulses, so when Ellie secretly auditions for a Pop Idol style talent show, she knows she's going to have to make a decision about where her musical future lies, as a mass-market pop act, or a credible indie singer with a cool and original band like Blackstar. Ellie sings a song written by Dylan for her final performance on the talent show .and wins. The crowd can't get enough of her, or the song it seems, and that's when Ellie's conscience kicks in. Can she really betray Dylan to serve her own needs? And does her heart really belong with Blackstar after all. On top of everything else, Ellie's controlling father is intent on steering her towards fame at any cost, and Ellie feels like she's losing control. As she stands to receive her winning ovation, Ellie makes a courageous decision.
