By -

John Wiley Sons Inc, United States, 1994. Hardback. Book Condition: New. Volume 2 ed.. 236 x 157 mm. Language: English . Brand New Book. In the decade since its publication, Handbook of Play Therapy has attained the status of a classic in the field. Writing in the most glowing terms, enthusiastic reviewers in North America and abroad hailed that book as an excellent resource for workers in all disciplines concerned with children s mental health ( Contemporary Psychology ). Now, in this companion volume, editors Kevin O Connor and Charles Schaefer continue the important work they began in their 1984 classic, bringing readers an in-depth look at state-of-the-art play therapy practices and principles. While it updates readers on significant advances in sand play diagnosis, theraplay, group play, and other well-known approaches, Volume Two also covers important adaptations of play therapy to client populations such as the elderly, and new applications of play therapeutic methods such as in the assessment of sexually abused children. Featuring contributions by twenty leading authorities from psychology, social work, psychiatry, psychoanalysis, and other related disciplines, Handbook of Play Therapy, Volume Two draws on clinical and research material previously scattered throughout the professional literature and organizes it...
