A YOUNG MAN S GUIDE TO GETTING SOME (HARDBACK)

NEW HOLLAND PUBLISHERS, Australia, 2018. Hardback. Condition: New. Language: English . Brand New Book. A MANifesto for Millennials. Not that it s ever been easy, but finding romance in the electronic age is even tougher. This instructional guidebook for young men is all about treating women honourably. This is so rare these days that young men who eschew the booty text and actually call and talk to girls, or show a little courage and chivalry, or know how to act like a gentleman on a date will stand out and attract young women in droves. First and foremost it is funny - written to amuse and entertain. Within the humorous style the messages are clear and the advice invaluable. There are 34 vignette chapters split into four sections, taking the reader from initial preparation and contact through to spooning and beyond. This is not a book about just getting laid. This is a book about making the best of what you have, catching her eye and escaping the Friendzone. It s about being a gentleman, caring, having fun and creating chemistry. And THEN getting laid.
