SUSTAINABILITY AND THE CITY: THE SERVICE APPROACH (PAPERBACK)

Business Expert Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Cities are without a doubt one of the miracles of human creation and the embodiment of the human environment. Insofar as they are large and densely populated human settlements with defined legal and political boundaries that comprise clusters of buildings, open spaces, public facilities and infrastructure, cities are mainly spaces of services that are exchanged between a wide variety of stakeholders-namely, residents,...
