To-day, throughout the British realm, but more especially in historic London, elaborate preparations are being made for the coronation of the great Peacemaker s son - King George the Fifth. With a wonderful blending of quaint mediaeval custom and of more modern ceremony, a pageant of unwonted splendor is being planned with amazing accuracy of detail and kingly consideration by our indefatigable monarch and his able consort. With all the gorgeousness, all the pomp and grandeur that one year ago attended the royal obsequies, lacking only the sadness of that historic event, the crowning of our King and Queen will add its page to the history of the land and two more names be added to that long and wonderful list of those who have wielded the sceptre for good or ill. Already King George and Queen Mary have taken their place in the heart of Britain and her colonies, and it is safe to prophesy that their reign will be one of prosperity and happiness. The good-will and affection of the Empire is theirs. Long may they reign. During the present school year the reorganization of the College government has been completed, and St. Andrew s College is now conducted as a Trust under the authority of a special Act of the Ontario Legislature passed last session.
