Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from New Avatar and the Destiny of the Soul: The Findings of Natural Science Reduced to Practical Studies in Psychology The reader who is willing to give the following pages a careful reading, and a courteous hearing, is entitled to know the basis of study, observation or experience from which the suggestions, inferences and conclusions proceed, in order that he may fairly estimate their value. At the age of seventy-two, my egotism is at least softened by the discovery of the many things I do not know; and my dogmatism, so far as it ever existed, is equally relaxed by the realization that it is a bar to light and knowledge, which rest so largely on demonstration. For more than forty-five years I have been engaged in the active practice of medicine with consultations extending over three States. For an equal length of time I have lectured in Medical Colleges, fifteen years on the subject of Physiology, an equal number on Therapeutics (including Pathology and Histology), and for the last fifteen years on Psychology, Mental and Nervous Diseases, and all this time with a large College Clinic from the poorer classes. From first to last, my Study of Medicine has been generically and specifically a Study of Man, physical, mental, ethical, and psychical. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
